

FREE BOOKS FOR PRESCHOOLERS

Belfield Public School has joined the Dolly Parton's Imagination Library Program. This program will provide books to all preschool children in the Belfield Public School District age birth through age 4. One book arrives by mail in the child's name each month. The key to success in school is developing proficient reading skills. Reading to your children is one of the most important things a parent can do to develop these skills and we are hoping this program will help children learn to love reading. Studies show that children participating in the Dolly Parton's Imagination Library have improved reading skills in school.

Alantson and Barbara Hurt have generously agreed to donate \$1500 which will cover the cost of books for 60 children for one year. Belfield Public School will sponsor any additional costs of this program. We are hoping to reach all preschool children and to do that we need the help of area families. If you have a preschool child under the age of 5 and would like them to receive a free book each month, please fill out the following information. If you know of other families with preschool children, please have them contact Mrs. Lorge or Mrs. Berger at 575-4275. You must be a resident of the Belfield Public School District to participate in this program. We are in the process of signing up children and hope to have things in place for a March mailing.

Dolly Parton's Imagination Library Program

Belfield Public School District

I would like to enroll my child in the Imagination Library program sponsored by the Belfield Public School.

Child's Name _____

Birthdate _____
