

FERPA NOTICE

The purpose of this notice is to provide you with information regarding the Family Education and Privacy Act (FERPA). FERPA allows a school district to identify information as "directory information." This information may be released without prior consent by parents or adult students. The Belfield Public School considers the following to be directory information: a student's name, address, phone number, birth date, e-mail address, class schedule, height, weight, dates of attendance, honors and awards, clubs and teams to which the student belongs, and pictures of the student participating in school events or on school web pages.

Directory information does not include social security number, ID number, race, gender, ethnicity, grades and GPA. If you do not want directory information released without consent, please complete the enclosed FERPA form and return it within ten (10) days. If we do not receive your notice by that date, we will consider this to mean that you have no objection to the release of "Directory information" at our discretion.

This form is included with this newsletter.

Parents of students in grades 9—12 need to complete the enclosed form indicating whether or not they grant permission for their child's name, address, and telephone number to be released to military recruiters. If this form is not completed and returned to the school, the school will release this information to the military upon request.
